Bhubaneswar, Dated the 14th May, 2015

Dear Sir/Madam,

While appreciating, I on my own behalf and on behalf of the Council of Higher Secondary Education, Odisha, express my deep sense of gratitude for extending your whole hearted co-operation and ungrudging support in conducting the Annual Higher Secondary Examination 2015. I further appreciate your endeavour in making the newly introduced e-valuation system in 5 (five) Science subjects a grand success and completing the manual (traditional) valuation in rest of the streams/subjects in record time. I hope, your valued co-operation, suggestions and support will strengthen the morale of the Council in implementing the Examination Reform Measures being undertaken by Government, for the brighter future of our students' community.

With regards,

Yours sincerely,

Basudev Chhatoi
